*"This experience is hands down, the best experience of my life. Every day was amazing and full of fun. I will never forget all the memories we have made and all the people I have met. This was absolutely amazing!"*

- Kayla Windham  
Texas A & M University

## Why Travel with ISV?

Over 20,000 students have volunteered over two million hours on life-changing projects with ISV around the world. ISV is a U.S. based non-profit public benefit corporation and has been recognized as one of the world's top volunteer programs. ISV has:

- In-country offices with 24/7 support
- Nearly 30 years of student travel experience
- Hundreds of volunteer projects overseas
- An educational focus with academic credit

## Volunteer Projects

Here is your chance to make a difference in conservation or community development and experience another culture in a way you never thought possible. Each project is supervised by trained ISV leaders to ensure your safety and to meet the needs of those we serve. Volunteer teams consist of 8-15 participants.

## Adventure Tours

Explore cities, beaches, jungles, volcanoes, exotic islands and more on a tour that shows you the most incredible activities and destinations of your host country. Each tour is action-packed and features a perfect mix of cultural exploration, adventure and more adrenaline-filled activities than most people dream about in a lifetime!
